

StarBoard FX-TRIO-88W

INTERACTIVE WHITEBOARD

Spread Imagination Far and Wide

Take advantage of the 88inch interactive whiteboard which will bring your presentations to life. Successor of previous StarBoard models, the FX-TRIO-88W allows you the opportunity to have three people to work simultaneously on its widescreen surface. Discover all enhanced features of FX-TRIO and capture your audience's attention with effective visual-based materials.

Interactive Group Work

Up to three users can operate the board simultaneously and work in a team on the same task. The wide surface of the board gives more space for a comfortable group work.

Touch and Control

All operations on the board can be performed with a finger, stylus pen or an electronic pen, depending on your preference.

Multi-Touch Features

Operate the board by using hand gestures to zoom or scroll the pages and images.

Widescreen Surface

The widescreen surface of the board provides an additional working space and contributes to comfortable group work. It works with existing wide-format technologies and contents without distortion and creates high-impact lessons and presentations.
